Dear President McCormack:

This letter serves as formal notification and official record of action taken concerning Calumet College of St. Joseph by the Institutional Actions Council of the Higher Learning Commission at its meeting on January 25, 2021. The date of this action constitutes the effective date of the institution's new status with HLC.

Action. with Interim Monitoring. IAC continued the accreditation of Calumet College of St. Joseph with the next Reaffirmation of Accreditation in 2029-30. Despite comprehensive review modifications associated with COVID-19, the institution's next Reaffirmation of Accreditation date remains aligned with the start date of the original comprehensive review in Spring 2020. In conjunction with this action, IAC required the following interim monitoring.

Interim Report Due October 1, 2021. A report that documents that the institution has sufficient numbers of faculty and continuity of faculty members to carry out all roles of faculty, and further address concerns regarding a systematized documentation of faculty qualifications, including tested experience where applicable.

Federal Compliance monitoring Due October 1, 2021. A report to demonstrate that the college's syllabi review policies are effective in assuring compliance with the expectations for the assignment of credits, program length and tuition. The institution should also provide a summary of their articulation agreements, along with relevant details for each.

Interim Report Due October 1, 2022. A report documenting an overall institutional plan for a systematic process to collect, analyze, and use data for effective decision-making and improvements in all key areas of the institution.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

Please note: Revisions to HLC's Criteria for Accreditation will go into effect on September 1, 2020. Institutions will be evaluated against the revised Criteria for all reviews conducted after that date, including reviews related to previously assigned monitoring. Institutional reports submitted after September 1, 2020, that reference the Criteria should be written to the revised version. More information about the revised Criteria, including a crosswalk between the current and revised versions, is available on HLC's website at <https://www.hlcommission.org/criteria>.
