Interim Report. An interim report due 5/31/2024 demonstrating a culture of ongoing, meaningful assessment of student learning (Core Component 4b), to include the following: Program-level outcomes and curriculum maps aligning course-level learning outcomes to program and institutional learning outcomes for all academic programs a template for assessing co-curricular programs; and a common outcomes assessment for each academic program.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.
