Dr. Lesley Travers  
President  
Eastern Wyoming College  
3200 West C Street  
Torrington, WY 82240

Dear President Travers:

This letter serves as formal notification and official record of action taken concerning Eastern Wyoming College by the Institutional Actions Council of the Higher Learning Commission at its meeting on March 9, 2021. The date of this action constitutes the effective date of the institution's new status with HLC.

**Action with Interim Monitoring.** IAC continued the accreditation of Eastern Wyoming College with the next Reaffirmation of Accreditation in 2030-31. In conjunction with this action, IAC required the following interim monitoring.

**Interim Report.** An interim report due 2/1/2023 on assessment.

**Rationale:** IAC determined that the evaluation team's recommendation for monitoring related to federal compliance is similar to the monitoring for 4B, so it would be redundant to require both.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the Institutional Status and Requirements (ISR) Report, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

Please note: Revisions to HLC's Criteria for Accreditation will go into effect on September 1, 2020. Institutions will be evaluated against the revised Criteria for all reviews conducted after that date, including reviews related to previously assigned monitoring. Institutional reports submitted after September 1, 2020, that reference the Criteria should be written to the revised version. More information about the revised Criteria, including a crosswalk between the current and revised versions, is available on HLC's website at <https://www.hlcommission.org/criteria>.
