Dear President Blattner:

This letter serves as formal notification and official record of action taken concerning Fontbonne University by the Institutional Actions Council of the Higher Learning Commission at its meeting on June 8, 2021. The date of this action constitutes the effective date of the institution's new status with HLC.

Action. IAC continued the accreditation of Fontbonne University with the next Reaffirmation of Accreditation in 2030-31.

Embedded Monitoring Report. Interim Report to be embedded in the mid-cycle review: a report on practices developed and employed through the four years of participation in the HLC Assessment Academy focused on general education assessment; four years of consistent and completed documentation and reporting of assessment by programs in their annual assessment reports that demonstrate "closing of the loop" on actions recommended; and inclusion of the assessment of any co-curricular efforts occurring within departments in academic program assessment reports as appropriate to demonstrate student achievement of program learning outcomes.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Linnea Stenson. Your cooperation in this matter is appreciated.

Sincerely,

Barbara Gellman-Danley
