Dr. Ray Wallace  
Chancellor  
Indiana University Southeast  
4201 Grant Line Rd.  
New Albany, IN 47150

Dear Chancellor Wallace:

This letter serves as formal notification and official record of action taken concerning Indiana University Southeast by the Institutional Actions Council of the Higher Learning Commission at its meeting on December 5, 2019. The date of this action constitutes the effective date of the institution's new status with HLC.

**Action with Interim Monitoring.** IAC continued the accreditation of Indiana University Southeast with the next Reaffirmation of Accreditation in 2029-30. In conjunction with this action, IAC required the following interim monitoring.

**Focused Visit.** A Focused Visit no later than Spring 2022 on assessment of student learning, including evidence of assessment plan development and implementation, and measurement of student learning outcomes and the use of results to inform strategic decision making.

**Rationale:** The visiting team and IAC remain concerned that the institution has failed to address longstanding issues related to assessment of student learning. IAC determined a focused visit is needed to verify future progress on assessment.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Gigi Fansler. Your cooperation in this matter is appreciated.

Sincerely,
