January 18, 2019

Dr. Linda Lujan
President
Lamar Community College
2401 S Main St
Lamar, CO 81052

Dear President Lujan:

This letter serves as formal notification and official record of action taken concerning Lamar Community College by the Institutional Actions Council of the Higher Learning Commission at its meeting on January 15, 2019. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Lamar Community College with the next Reaffirmation of Accreditation in 2028-29. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An Interim Report due 7/1/2019 that a) establishes Program Learning Outcomes for each of the certificates and associate of applied science degrees and b) addresses how the college plans to assess the newly created program learning outcomes in the following years (perhaps by developing a PLO assessment plan). (The team recommends one combined report for core components 3.A and 4.B.).

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Gigi Fansler. Your cooperation in this matter is appreciated.

Sincerely,

A handwritten signature in black ink that reads "Barbara Gellman-Danley".

Barbara Gellman-Danley
President
