President
Lawrence Technological University
21000 West Ten Mile Rd.
Southfield, MI 48075-1058

Dear President Moudgil:

This letter serves as formal notification and official record of action taken concerning Lawrence Technological University by the Institutional Actions Council of the Higher Learning Commission at its meeting on December 14, 2020. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Lawrence Technological University with the next Reaffirmation of Accreditation in 2030-31. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. Interim report due 5/28/2021: Report stating the university's credit hour policy. In addition, LTU must explain how the requirements of the policy are being conveyed to all instructional staff and describe the processes by which LTU will monitor adherence to the requirements of the Federal credit hour in all courses delivered via all modalities.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In early January, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

Please note: Revisions to HLC's Criteria for Accreditation will go into effect on September 1, 2020. Institutions will be evaluated against the revised Criteria for all reviews conducted after that date, including reviews related to previously assigned monitoring. Institutional reports submitted after September 1, 2020, that reference the Criteria should be written to the revised version. More information about the revised Criteria, including a crosswalk between the current and revised versions, is available on HLC's website at <https://www.hlcommission.org/criteria>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison John Marr. Your cooperation in this matter is appreciated.

Sincerely,

A handwritten signature in black ink that reads "Barbara Gellman-Danley".
