Dear President Wilson:

This letter serves as formal notification and official record of action taken concerning Research College of Nursing by the Institutional Actions Council of the Higher Learning Commission at its meeting on January 11, 2022. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Research College of Nursing with the next Reaffirmation of Accreditation in 2031-32. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An interim report due 6/30/2024 on demonstrated improvements to the institution's financial status, including operating financial indicators, financial resources, and implementation of the strategic enrollment plan (Core Component 5B).

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.
