Dear President Goodson:

This letter serves as formal notification and official record of action taken concerning Tulsa Community College by the Institutional Actions Council of the Higher Learning Commission at its meeting on December 3, 2018. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Tulsa Community College with the next Reaffirmation of Accreditation in 2028-29. In conjunction with this action, IAC required the following interim monitoring:

Interim Report. Embedded report due at next mid-cycle review (9/1/2022): To focus on the institution's effort to complete non-accredited program learning outcome assessment. The report should include specific plans for how the institution's faculty in non-accredited programs will evaluate student progress toward stated program-specific learning outcomes, results from the evaluations of metrics established by program faculty, and a summary of any changes made to the program curriculum or teaching strategies based on the assessment results.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.
