Ms. Lisa Willenberg
Chancellor
University of Arkansas Community College at Morrilton
1537 University Boulevard
Morrilton, Arkansas 72110

Dear Chancellor Willenberg:

This letter serves as formal notification and official record of action taken concerning University of Arkansas Community College at Morrilton by the Institutional Actions Council of the Higher Learning Commission at its meeting on July 11, 2022. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of University of Arkansas Community College at Morrilton with the next Reaffirmation of Accreditation in 2031-32. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An Interim Report due 4/29/2024 on assessment of student learning for the full assessment cycle and for the definition of co-curriculum, the expected learning outcomes for what is defined as co-curricular, and the planned assessment methods for the expected learning outcomes.

Further, IAC requires the institution to include evidence in its Year 4 Assurance Review of complete cycles of assessing co-curricular taking place between the receipt of the interim report and the four-year assurance review.

Rationale: In reviewing the visiting team's recommendations, the timeline for what needs to be accomplished in the co-curricular area seemed untenable. By splitting the reporting for co-curricular to two years out for the framework of assessing student learning and four years out for using the framework to assess student learning, it will give the institution the time to build a meaningful framework.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may download the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Stephanie Brzyzy. Your cooperation in this matter is appreciated.

Sincerely,
