Dear Chancellor Alexander:

This letter serves as formal notification and official record of action taken concerning University of Wisconsin-Green Bay by the Institutional Actions Council of the Higher Learning Commission at its meeting on January 11, 2022. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of University of Wisconsin-Green Bay with the next Reaffirmation of Accreditation in 2031-32. In conjunction with this action, IAC required the following interim monitoring.

Interim Report. An interim report due 12/1/2022 that provides evidence that the institution has created a policy and has implemented practices, procedures, and processes that ensure that course syllabi are consistent among duplicate course sections.

Interim Report. An interim report due 10/1/2026 on progress updates on a schedule as arranged with the HLC liaison, that provides evidence of UW-Green Bay's development of a robust assessment system, including program level, general education, and cocurricular components as well as how data informs institutional decisions.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Tom Bordenkircher. Your cooperation in this matter is appreciated.
