Dear President Jenson:

This letter is formal notification of action taken by the Higher Learning Commission (HLC) Board of Trustees (“the Board”) concerning Western Michigan University Homer Stryker M.D. School of Medicine (“the institution”). This action is effective as of the date the Board acted, June 28, 2018. In taking this action, the Board considered materials from the most recent comprehensive evaluation, including, but not limited to: the Assurance Filing the institution submitted, the report from the comprehensive evaluation team, the report of the Institutional Actions Council (IAC) Hearing Committee, and the institutional responses to these reports.

**Summary of the Action:** The institution has been granted initial accreditation. The institution is assigned to the Standard Pathway for its initial ten-year cycle. An institution in its first cycle of accreditation undergoes a comprehensive evaluation and is considered for reaffirmation of accreditation in Year 4 of the ten-year cycle. If reaffirmation of accreditation is granted in Year 4, the institution moves to Year 5 and continues on the Standard Pathway until it completes the ten-year cycle.¹ The institution will host its next comprehensive evaluation for reaffirmation of accreditation in 2021-22.

**Board Rationale**

The Board based its action on the following findings made with regard to the institution:

- The institution has demonstrated that it meets the Eligibility Requirements, the Assumed Practices, and the Criteria for Accreditation, including all Core Components, without any concerns; and
- The institution has demonstrated that it is currently in compliance with all Federal Compliance Requirements.
