**Alderson Broaddus University status changed**  
**from “Accredited – On Notice” to “Accredited”**  
**Effective: June 24, 2021**

The Higher Learning Commission has removed the sanction of Notice for Alderson Broaddus University in Philippi, West Virginia.

HLC took this action based on the institution’s ability to demonstrate it is no longer at risk of being out of compliance with HLC requirements. It was placed on Notice in June 2019 when it was determined to be at such risk.

To provide transparency for all stakeholders, HLC publishes a Directory of Institutions on its [website](#). The directory includes information about a college or university's accreditation status, recent activities and upcoming activities.
